

# PRODUCT WARRANTY INFORMATION

---

Congratulations on your decision to purchase a quality product from AutoZone®. We appreciate your business and confidence in the NuTech by ATK® brand, our products, and our personalized customer service and support.

This document explains, in detail, the warranty coverages that apply to the product you've purchased. Please keep it available for future reference.

# Important information you should know

## KNOW WHEN YOUR WARRANTY BEGINS

Your warranty period begins as of the date of first installation or 10 days following the original purchase date, whichever comes first. The warranty period continues for the period of time specified in the table on page 5.

## REGISTERING YOUR WARRANTY

While warranty registration is not necessary to obtain warranty coverage on NuTech by ATK® products, we strongly suggest that you register your product. Information on registering your product is available on page 7.

## WHAT THIS WARRANTY COVERS

Subject to limitations listed herein, NuTech by ATK®, at its option, shall repair or replace a product within the warranty term after determination by NuTech by ATK® that the product is defective.

NuTech by ATK® shall not be liable for any incidental, special, consequential or exemplary damages, including but not limited to rental cars, towing fees or for any service not expressly provided herein, relating to or arising from the NuTech by ATK® product.

## MAINTAIN YOUR VEHICLE PROPERLY

It is your responsibility to make sure that all of the scheduled maintenance is performed and that materials used for maintenance meet engineering specifications. Failure to perform scheduled maintenance as specified may invalidate warranty coverage on your product.

## IF YOU NEED CUSTOMER ASSISTANCE

When you need warranty repairs, you have the freedom to use the Licensed Automotive Repair Facility of your choice. You may also contact NuTech by ATK® Customer Service at 800-790-9094 regarding warranty service information.

# NuTech by ATK<sup>®</sup> product warranty policy

NuTech by ATK<sup>®</sup> warrants to the original purchaser that each remanufactured product sold by AutoZone<sup>®</sup> shall be free of defects in material and workmanship under normal use and with periodical maintenance as set forth by the original manufacturer, subject to the following terms and conditions.

## LIMITED WARRANTY

This warranty is given in lieu of all other warranties, expressed or implied, including any warranty, merchantability, or fitness for a particular purpose, on the part of NuTech by ATK<sup>®</sup> or the dealer installing the product. No dealer, nor any agent or employee thereof, is authorized to extend or modify this warranty.

## LIMITED LIABILITY

NuTech by ATK<sup>®</sup>'s liability under this warranty is limited solely to the repair or replacement of the defective product.

NuTech by ATK<sup>®</sup> shall not be liable for any incidental, special, consequential, or exemplary damages, including but not limited to rental cars, towing fees, or for any service not expressly provided herein, relating to or arising from the NuTech by ATK<sup>®</sup> product.

## STANDARD WARRANTY TERMS

Gasoline Engines *	
<b>Automobiles and Light Trucks</b> less than 11,000 lbs. Gross Vehicle Weight	- 4 years, unlimited mileage - \$50/hour parts and labor - See our No-Fault Provision
<b>Medium/Heavy Duty Trucks</b> 11,000 lbs. Gross Vehicle Weight or heavier	- 12 months, 12,000 miles - \$50/hour parts and labor

Compressed Natural Gas (CNG) Engines	
<b>Automobiles and Light Trucks</b> less than 11,000 lbs. Gross Vehicle Weight	- 3 years, unlimited miles - \$50/hour parts and labor - \$800 reimbursement cap
<b>Stationary Engines</b>	- 12 months, 2,000 hours - \$50/hour parts and labor - \$350 reimbursement cap

Cylinder Heads	
<b>Cylinder Heads</b>	- 12 months, 12,000 miles - \$50/hour parts and labor - \$300 reimbursement cap - NOTE: Warranty is void if the heat tab is melted, removed, or tampered with.

Diesel Engines	
<b>NuTech Warranty in Automobiles and Light Trucks</b> less than 11,000 lbs. Gross Vehicle Weight	- 12 months, 12,000 miles - \$50/hour parts and labor
<b>NuTech PRO Warranty in Automobiles and Light Trucks</b> less than 11,000 lbs. Gross Vehicle Weight	- 12 months, 12,000 miles - \$50/hour parts and labor - See our No-Fault Provision

Differentials	
<b>Automobiles and Light Trucks</b> less than 11,000 lbs. Gross Vehicle Weight	- 3 years, unlimited miles - \$50/hour parts and labor - \$800 reimbursement cap
<b>Medium/Heavy Duty Trucks</b> 11,000 lbs. Gross Vehicle Weight or heavier	- 12 months, 12,000 miles - \$50/hour parts and labor - \$800 reimbursement cap

Marine Engines	
<b>Marine Engines</b>	- 12 months, unlimited hours - \$50/hour parts and labor - \$350 reimbursement cap

Transfer Cases	
<b>Automobiles and Light Trucks</b> less than 11,000 lbs. Gross Vehicle Weight	- 18 months, 18,000 miles - \$50/hour parts and labor - \$300 reimbursement cap
<b>Medium/Heavy Duty Trucks</b> 11,000 lbs. Gross Vehicle Weight or heavier	- 12 months, 12,000 miles - \$50/hour parts and labor - \$300 reimbursement cap
<b>Commercial Fleet Vehicles</b>	- 12 months, 12,000 miles - \$50/hour parts and labor - \$300 reimbursement cap

Transmissions	
<b>Automatic Transmissions</b> – Automobiles and Light Trucks less than 11,000 lbs. Gross Vehicle Weight	- 3 years, unlimited miles - \$50/hour parts and labor - \$800 reimbursement cap
<b>Automatic Transmissions</b> – Medium/Heavy Duty Trucks 11,000 lbs. Gross Vehicle Weight or heavier	- 12 months, 12,000 miles - \$50/hour parts and labor - \$800 reimbursement cap
<b>Manual Transmissions</b>	- 12 months, 12,000 miles - \$50/hour labor reimbursement - \$300 reimbursement cap

This warranty does not apply to products installed on any recreational vehicles over 11,000 lbs. Gross Vehicle Weight, which includes most Class A, Class B, and Class C motorhomes and bus conversions. Only engines designed expressly for large motorhomes should ever be used in these applications. NuTech by ATK® expressly does not offer engines for these applications and therefore takes no responsibility when a NuTech by ATK® engine is used in this manner.

Additionally, products used in competitive racing or on commercial or rental racetracks are not covered.

NuTech by ATK® Engines' warranty does not cover products if they are used in an application for which they were not engineered (e.g., using standard gasoline engines in a marine application).

## DEFINITIONS

**Cylinder Heads:** As referenced in this warranty, refers to the remanufactured cylinder head including those parts and accessories as supplied by NuTech by ATK®.

**Differentials:** As referenced in this warranty, refers to the remanufactured differential including those parts and accessories as supplied by NuTech by ATK®.

**Engines:** As referenced in this warranty, refers to the remanufactured assembly (basic block, cylinder head, and internal components) as assembled by NuTech by ATK®.

**Transmissions:** As referenced in this warranty, refers to the remanufactured transmission including those parts and accessories as supplied by NuTech by ATK®.

## STANDARDS

Subject to limitations listed herein, NuTech by ATK®, at its option, shall repair or replace a product within the warranty term after determination by NuTech by ATK® that the product is defective.

All products are to be returned to NuTech by ATK® for inspection. Products not returned to NuTech by ATK® will not be warranted. All repairs and/or replacements covered by this warranty must have prior authorization from NuTech by ATK®. Unauthorized repairs will not be paid.

After inspection, products that are determined to not qualify for warranty coverage will be held in storage for 7 days. After 7 days, the inspected product will be disposed of.

## PRODUCTS REPLACED UNDER WARRANTY

Any product replaced under warranty carries the remainder of the original product's warranty term. In no case will the original warranty term be extended.

## LIMITATIONS

This warranty applies to products originally supplied by NuTech by ATK®. This warranty does not apply to or include any of the following:

1. Problems caused by parts that are not NuTech by ATK® parts.
2. Damage as a result of overheating, lack of lubrication, fuel wash, or contamination.
3. Damage resulting from pre-ignition or detonation, including but not limited to melted or broken pistons, broken piston

rings, damaged cylinder heads, leaking head gaskets, etc. For more information regarding pre-ignition and detonation coverage, please contact Customer Service at 800-790-9094.

4. Repair or replacement required as a result of any accident or misuse.
5. Repair or replacement of any accessory or service item, including specifically but not limited to: all components of the cooling, fuel, electrical, exhaust, and ignition systems, in addition to all belts, hoses, sensors, switches, and filters.
6. Any product used for competition, racing, or related purposes.
7. Any product to which a device or accessory is installed that does not conform to the original manufacturer's specifications.
8. Damage as a result of electrolysis, including but not limited to, deterioration of engine components as a result of excessive electrical current, including corroded freeze plugs, head gaskets, cylinder heads, or blocks.
9. Improperly maintained or incorrect coolant and/or any product on which periodic maintenance services required by the original manufacturer have not been performed.
10. A crankshaft thrust surface that is worn due to excessive forward pressure placed on the rear of the crankshaft.
11. Damage resulting from improper repair(s) or attempted repair(s) by any service technician.
12. Leaking carburetors, clogged fuel lines, sticking valves, or other damage, caused by using contaminated or stale fuel.
13. Parts which are scored or broken because an engine was operated with insufficient or contaminated lubricating oil or an incorrect grade of lubricating oil. Engine damage may occur if oil level is not properly maintained. Check and refill when necessary, and change at recommended intervals.
14. Repair or adjustment of associated parts or assemblies such as clutches and transmissions.
15. Damage or wear to parts caused by dirt, which entered the engine because of improper air cleaner maintenance, re-assembly, or use of a non-original air cleaner element or cartridge. At recommended intervals, clean and/or replace the filter as stated in your vehicle's operator's manual.
16. Engine or equipment parts broken by excessive vibration caused by a loose engine mounting, improper attachment of equipment to engine crankshaft, or other abuse in operation.
17. Lack of routine tune-ups or adjustments of the engine.
18. Engine or engine component failure (e.g., combustion chamber, valves, valve seats, valve guides, or burned starter motor windings) caused by the use of alternate fuels such as liquefied petroleum, natural gas, altered gasolines, etc.

19. Products used in a manner that violates the terms of the NuTech by ATK®'s warranty or are used for purposes other than their original intended use.

## NO-FAULT WARRANTY PROVISION

NuTech by ATK® and NuTech PRO by ATK® provide the following coverage on **all gasoline engines** installed in light duty applications:

- First time replacement is provided at no charge if the unit fails under normal operating conditions within the warranty term.
- Labor on first time replacement will be guaranteed at \$50 per hour regardless of the unit inspection results.

NuTech by ATK® provides the following coverage on **all diesel engines** installed in light duty applications:

- Unit replacement and labor allowance are dependent on factory inspection to verify defect.

NuTech PRO by ATK® provides the following coverage on **all diesel engines** installed in light duty applications:

- First time replacement is provided at no charge if the unit fails under normal operating conditions within the warranty term.
- Labor on first time replacement will be guaranteed at \$50 per hour regardless of the unit inspection results.

# Register your product

We encourage you to register your product for optimal warranty coverage and service. For your convenience, you can register your NuTech by ATK® product online quickly and easily via the MyCarCare.com website.

Visit MyCarCare.com and click Product Registration option. Provide your information, and then click Submit.

## LABOR PAYMENTS

NuTech by ATK® repairs will be compensated at a rate not to exceed 100% of the Mitchell® Repair Manual published applicable flat-rate schedule. Hourly rates for all authorized labor claims will be paid in accordance with the original installation rate, not to exceed \$50.00 per flat-rate hour. Standard and No Fault labor allowance will only be allowed on repairs performed by licensed repair facilities.

Do it yourself (DIY) repairs do not qualify for labor reimbursement.

## CORPORATE MAILING ADDRESS

### NuTech by ATK® Engines

1102 W. Carrier Parkway Ste. 100  
Grand Prairie, TX 75050  
800-790-9094  
NuTechByATK.com

Be sure to have your product part number, serial number, VIN, mileage-at-installation, and installation date available when you visit MyCarCare.com to register.

# Additional Owner/User Obligations

NuTech by ATK®'s products are designed to provide years of trouble-free service. In order for your NuTech by ATK® product to perform as expected, it must be installed correctly, operated responsibly, and properly maintained.

Failure to perform these procedures may result in damage to the product and may void this warranty.

## ENGINES AND CYLINDER HEADS

Once the product has been installed, it is your responsibility to "break in" the product properly.

After the break-in period and 600-mile checkup, you must maintain the product to the original manufacturer's specifications. If you are unsure of the maintenance schedule or have questions regarding your NuTech by ATK® product, please contact Customer Service at 800-790-9094.

## INITIAL STARTUP

When applicable, valves must be readjusted to your vehicle's manufacturer's specifications. Refer to the factory shop manual or contact Customer Service for the proper procedure for your engine type.

## BREAK-IN PROCEDURES FOR ENGINES

Your NuTech by ATK® remanufactured engine requires special care during its initial break-in period.

To ensure your engine's long life expectancy and proper engine performance, please follow these procedures during the first 600 miles of operation.

- ✓ Vary your driving speed. Do not drive for long periods at any single speed.
- ✓ Do not tow a trailer or subject your vehicle to other heavy loads.
- ✓ Check the engine oil and coolant levels daily.

## 600-MILE CHECKUP FOR ENGINES

- ✓ Check fuel and ignition settings.
- ✓ Change the engine oil and filter.
- ✓ Adjust valves (*where applicable*).
- ✓ NuTech by ATK® does not recommend using synthetic engine oil until *after the first 5,000 miles* of service. Follow your vehicle owner's manual for service intervals.

---

## AUTOMATIC TRANSMISSIONS

NuTech by ATK® remanufactured transmissions are built to Original Equipment Manufacturer (OEM) specifications. When properly maintained and operated, they should provide many years of trouble-free service.

It is your responsibility to maintain your transmission in accordance with the original manufacturer's specifications.

## FIRST 500 MILES OF SERVICE

Newly-installed, remanufactured transmissions do not require any type of break-in procedure.

However, NuTech by ATK® recommends checking the transmission fluid level every 100 miles for the first 500 miles of service. Please refer to your vehicle's owner's manual for instructions on checking fluid levels and adding additional transmission fluid.

---

If the fluid level is low, add the proper amount of the correct type of fluid and return to a Licensed Automotive Repair Facility for a check of all transmission lines and seals.

### **SCHEDULED MAINTENANCE**

In order to keep your NuTech by ATK® warranty in effect, you must follow the transmission maintenance scheduled as outlined in the vehicle's owner's manual. If you are unsure of the maintenance schedule or have questions regarding your NuTech by ATK® transmission, please contact Customer Service at 800-790-9094.
